Entertainment

THE ART OF FUN AND ENTERTAINMENT *Made in Italy*

Sanrides builds and supplies classic and last generation Rides for Amusement Parks – FEC and Shopping Malls. All attractions are entirely built inside their facility assuring a full control over the quality. Each attraction can be supplied in different sizes, decorations and themes to satisfy any clients request. **Sanrides** is synonymous of quality, safety and creativity of the products Made in Italy.

Handcraft and Skill Combined with High Technology
